## An Outstanding Staff

In her fourth season as head coach, Cindy Fisher led the Toreros to a 19-13 record. Fisher guided senior guard Kiva Herman and senior post player Amber Sprague to a first team All-WCC team selection. Junior post player Morgan Henderson was named to the WCC All-Academic team and freshman guard Dominique Conners was selected to the WCC All-Freshman team.

Fisher led the Lady Toreros to a West Coast Conference tournament championship last season, earning them an automatic bid into the NCAA tournament. The Toreros had a fantastic season making their first NCAA appearance in eight years! Key wins over UCLA and top-seeded Gonzaga in the conference championship helped the Toreros to their second best season in school history with an overall record of 19-13.

During the 2006-2007 season Coach Fisher compiled a 21-9 record, earned her Co-Coach of the year honors along with guided Amanda Rego to Co-Player of the year selection. The Toreros also started the season 6-0, giving them the best start in school history. The Toreros hosted the first round of the Women's National Invitation Tournament, making it the first time the Toreros have appeared in the WNIT.
